

2026 Fudan University STEM Elite Program for International Postgraduate Students

No.	School/Department	Major	Degree	Research Area/ Program	Duration	Contact Person	Contact
1	Department of Chemistry	(Professional Degree) Master of Materials and Chemical Engineering	Master	Future Energy	2 years	Shan Zhe (单喆)	86-21-31242798 shanzhe@fudan.edu.cn
				Synthetic Chemistry			
				Materials Chemistry			
				Artificial Intelligence Chemistry			
2	College of Intelligent Robotics and Advanced Manufacturing	Aeronautical and Astronautical Science and Technology		Artificial Intelligence and Engineering Scientific Computing	3 years	Li Yue (李悦)	021-65641275 gyy@fudan.edu.cn
				Intelligent Materials and Structures			
3	Department of Physics	Physics		Theoretical Physics	3 years	Yan Xiaohui (闫晓辉)	86-21-31242364 xhyan@fudan.edu.cn
4	Department of Physics	Physics	PhD	Theoretical Physics	4 years	Yan Xiaohui (闫晓辉)	86-21-31242364 xhyan@fudan.edu.cn
				Condensed Matter Physics			
				Optics			
5	Research Institute of Intelligent Complex Systems	(Academic Degree) Complex Systems Science and Engineering		(Full-time) Theory of Complex Systems (including Applied Mathematics)	4 years	Tian Li (田骊)	86-21-65676593 iics_zs@fudan.edu.cn
				(Full-time) Complex Systems Modeling and Control (including Biomedical Engineering)			
				(Full-time) Complex Systems Engineering and Applications			
6	Shanghai Institute for Mathematics and Interdisciplinary Sciences	(Academic Degree) Mathematics		(Full-time) Pure Mathematics (including Mathematical Physics)	4 years	Jingzhi Lin (林静之)	86-21-65660296 graduate@simis.cn
				(Full-time) Applied Mathematics (including Scientific Computing)			
				(Full-time) Interdisciplinary Sciences			
7	College of Intelligent Robotics and Advanced Manufacturing	Aeronautical and Astronautical Science and Technology		Artificial Intelligence and Engineering Scientific Computing	4 years	Li Yue (李悦)	021-65641275 gyy@fudan.edu.cn
